

Welcome to Student Led Peer Mediation!

Dear _____,

We are pleased to inform you that you have been selected to serve as a peer mediator for your school's Student Led Peer Mediation Program. Congratulations! Serving as a peer mediator will provide you with an opportunity to lead your school and your peers to find peaceful solutions to conflict, to gain your own problem solving skills as a mediator, and to offer your own ideas and contributions to the program's success. We are so happy to welcome you to the team! You will be trained in mediation alongside other peer mediators and will have the opportunity to collaborate, contribute, and learn many new skills in conflict resolution.

This letter is to inform you about the upcoming training to become certified as a peer mediator at your school. This training is required. Unfortunately, if you cannot attend the training, you will not be able to be a peer mediator, however, you can reapply for our program during the next school year.

The time, date, and location of the training are listed below. You will also need to make sure that a parent or guardian signs your permission slip to participate in the training and to serve as a peer mediator. That will be due the week of the training.
